

Summer 1991	Consultant Education Program, Center for American Archeology Kampsville, Illinois
4/87 to 1/91	Director of Research Education Program, Center for American Archeology Kampsville, Illinois
Spring 1990	Museum exhibit design and construction Burpee Museum of Natural History, Rockford, Illinois Exhibits designed and constructed: <ol style="list-style-type: none"> 1. Stone Tools 2. Bone and Hide 3. Pottery
12/86 to 3/89	Museum Program Assistant Kampsville Archaeological Museum Center for American Archaeology, Kampsville, Illinois Exhibits designed and constructed: <ol style="list-style-type: none"> 1. Harvesting the River (now called Resources of the River) 2. Lower Illinois Valley Prehistory
1989	<ol style="list-style-type: none"> 1. Harvesting the River (now called Resources of the River) 2. Lower Illinois Valley Prehistory
1988	<ol style="list-style-type: none"> 1. Form and Function 2. Projectile Points and Knives
1987	<ol style="list-style-type: none"> 1. Koster: Past and Present 2. Stone Tool Raw Materials
Summer 1986	Laboratory Director Education Program Center for American Archeology Kampsville, Illinois
9/84 to 12/85	Field Archeologist and Laboratory Assistant Archaeological Consulting and Services Madison, Wisconsin
Summer 1984	Field Archaeologist Office of the State Archaeologist Iowa City, Iowa
Spring 1984	Teaching Assistant Introduction to Prehistory 113:012 University of Iowa-Iowa City
Fall 1983	Teaching Assistant Human Origins 113:013 University of Iowa-Iowa City

Summer 1983 Field Archaeologist
Office of the State Archaeologist
Iowa City, Iowa

 Field Supervisor
Archaeological Field School
University of Iowa-Iowa City

Spring 1983 Teaching Assistant
Introduction to Prehistory 113:012
University of Iowa-Iowa City

Fall 1982 Teaching Assistant
Introduction to Culture and Society 113:003
University of Iowa-Iowa City

Summer 1982 Field Archaeologist
Office of the State Archaeologist
Iowa City, Iowa

Summer 1981 Field Archaeologist
Office of the State Archaeologist
Iowa City, Iowa

Summer 1981 Physical Anthropology Laboratory Assistant
Office of the State Archaeologist
Iowa City, Iowa

Summer 1980 Field Archaeologist
The University of Wisconsin-La Crosse

Summer 1979 Field Archaeologist
Grundy County Conservation Board
Grundy Center, Iowa

MANUSCRIPTS AND PUBLICATIONS

2002 Rummells-Maske Revisited: A Fluted Point Cache from East Central Iowa. *Plains Anthropologist*. (co-authored with Juliet E. Morrow).

1999 Appendix III: Lithic Raw Materials. In *Bison Hunters of the Western Plains: Archaeological Investigations at the Dixon Site (13WD8), Woodbury County, Iowa*, Edited by Richard L. Fishel, pp. 158-161, Office of the State Archaeologist, Report 21. (co-authored with Fred A. Finney and George T. Crawford).

- Continuity and Change in the Lithic Technology of the Precontact Great Lakes Region. In *Taming the Taxonomy: Toward a New Understanding of Great Lakes Archaeology*, Edited by R. F. Williamson and C. M. Watts, pp. 220-236, Eastend Books, Toronto.
- Geographic Variation in Fluted Projectile Points: A Hemispheric Perspective. *American Antiquity* 64:215-231. (co-authored with Juliet E. Morrow).
- On the Fringe: Folsom Points and Preforms in Iowa. In *Folsom Lithic Technology: Explorations in Structure and Variation*, Edited by D. S. Amick, pp. 65-81. International Monographs in Prehistory, Ann Arbor. (co-authored with Juliet E. Morrow).
- 1997 A Chip Off the Old Block: Alternative Approaches to Debitage Analysis. *Lithic Technology* 22:51-69.
- Hawk's Nest: A New Gainey-Clovis Site in Northeastern Illinois. *Current Research in the Pleistocene* 14:4-6. (co-authored with Dan S. Amick, Tom Loebel, and Juliet E. Morrow).
- 1996 Clovis Blade Tool found in Lee County, Iowa. *Iowa Archaeological Society Newsletter* 160:1-2.
- Bigger is Better: Comments on Kuhn's Formal Approach to Mobile Tool Kits. *American Antiquity* 61:581-590.
- Lithic Refitting and Archaeological Site Formation Processes: A Case Study from the Lower Illinois River Valley. In *Stone Tools: Theoretical Insights into Human Prehistory*, edited by G. H. Odell, pp. 345-373, Plenum Press, New York
- 1995 The Martens Site (23SL222): A Clovis Occupation in St. Louis County, Missouri. *Current Research in the Pleistocene* 12:24-26. (co-authored with Brad Koldehoff, Juliet E. Morrow, and Richard Martens).
- 1994 A Preliminary Survey of Iowa Fluted Points. *Current Research in the Pleistocene* 11:47-48. (co-authored with Juliet E. Morrow)
- A Key to the Identification of Chipped-Stone Raw Materials found on Archaeological Sites in Iowa. *Journal of the Iowa Archaeological Society* 41:108-129.
- 1993 Fluted Point Manufacture at the Ready/Lincoln Hills Site, Jersey County, Illinois. *Current Research in the Pleistocene* 10:59-61. (co-authored with Juliet E. Morrow).
- 1990 Culture History Kit Manual for Teachers. Education Program, Center for American Archeology. Kampsville, Illinois.
- 1989 Twin Ditch: Early Archaic Settlement and Technology in the Lower Illinois Valley. Center for American Archeology, Education Program, Kampsville, Illinois.

- Twin Ditch Site: Shallowly Buried Early Archaic in a Floodplain Setting. In *Archaeological Geology in the Central Mississippi-Lower Illinois Valley Region, Illinois and Missouri*, compiled by E. Hajic, et al, pp. 26-29. Geological Society of America, Archaeological Geology Division Field Trip Circular, 1989 Annual Meeting, St. Louis, Missouri. (co-authored with E. Hajic).
- 1988 Thebes Knives: Experimental Applications to Archaeological Data. *Twentieth Century Lithics* 1:8-23. Moundbuilder Books, Branson, Missouri.
- 1987 Twin Ditch: Investigations at a Multicomponent Archaic site in the Lower Illinois Valley. *Illinois Archaeological Survey Newsletter* 2(2):2-4.
- Mound House: A Preliminary Report of the 1986 Investigations. Ms. on file, Center for American Archeology, Kampsville, Illinois.
- 1986 Great Lakes Cody: A Case Study of Interaction Among Early Holocene Hunter Gatherers. Unpublished ms.
- 1985 Descriptions of Common Lithic Raw Materials Encountered on Wisconsin Archaeological Sites. Ms. prepared for the Fall Meeting of the Wisconsin Archaeological Survey, Madison, Wisconsin (co-authored with Jeffrey A. Behm).
- Chert Procurement and Processing in Central Iowa: An Analysis of the Dowden Site (13GN16). Unpublished ms.
- A Reworked Plano Point from Northeast Iowa. *Iowa Archaeological Society Newsletter*.
- A Key to the Identification of Chipped-Stone Raw Materials Encountered on Archaeological Sites in the State of Iowa. Manual prepared for a workshop held at the 35th Annual Meeting of the Iowa Archaeological Society, Cherokee, Iowa.
- 1984 Chert Resources of Southeast Iowa. Office of the State Archaeologist *Research Papers* 9(1):1-52, Iowa City.
- Cultural Change and Continuity in Eastern Iowa Prehistory: A Perspective from the Wolf Creek Valley*. Unpublished M.A. thesis (Anthropology), The University of Iowa, Iowa City.
- Iowa Projectile Points*. Office of the State Archaeologist Special Publication, Iowa City
- 1983 The Burroughs Collection: A Legacy of Indian Artifacts. *Cedar County Historical Review*, pp. 120-130, Tipton.

Lithic Resources of the Coralville Reservoir. Appendix B in the Coralville Reservoir Shoreline Survey, by S. Schermer, Office of the State Archaeologist *Research Papers* 8(2), Iowa City.

Bone Tools. Manual Prepared for a Workshop held at the 33rd Annual Meeting of the Iowa Archaeological Society, Des Moines, Iowa.

Cedar County Archaeology. Ms. prepared for the Cedar County Historical Society, Tipton, Iowa.

1982 Maynes Creek Chert: A Common Lithic Material from Central Iowa. Office of the State Archaeologist *Research Papers* 7(2):306-319. Iowa City.

Basic Flintknapping. Manual prepared for a workshop held at the Iowa Archaeological Society Spring Meeting, Glenwood, Iowa.

Wolf Creek Serrated: A New Point Type from Eastern Iowa. Iowa Archaeological Society *Newsletter* 102:3.

1981 Papers published in Office of the State Archaeologist *Research Papers* 6(4), Iowa City:

Analysis of Human Skeletal Remains from 13MN13, pp. 247-254.

Analysis of Skeletal Material Recovered from the Spencer Burial (13CY9), pp. 261-268.

Analysis of Skeletal Material Received from Jim Rooks, Dubuque Iowa, pp. 269-277.

Analysis of Human Remains from 13BN123, pp. 278-280.

Analysis of Human Remains Recovered from 13AM46, pp. 289-295.

Analysis of Human Remains from the Nelson Site (13WR1), pp. 300-307.

1981 An Analysis of the Conrad Archaic Site (13GN21). Ms. on file at the Office of the State Archaeologist, Iowa City.

Making Ground Stone Axes. Iowa Archaeological Society *Newsletter* 99:4-6.

Lithic Analysis, Subgroup III. In An Interdisciplinary Study of A Multicomponent Site in Western Wisconsin. Ms. prepared for the National Science Foundation, pp. 98-159. (co-authored with Randall M. Withrow).

1980 An Experimental Study of Chipped Stone Drills. Ms on file at the Office of the State Archaeologist, Iowa City.

An Archaeological Survey of Selected Areas of Grundy County, Iowa. Ms. on file at the Office of the State Archaeologist, Iowa City. (co-authored with David W. Benn).

- 1979 Hickory Hills Survey. Office of the State Archaeologist *Research Papers* 4(4), Iowa City.
- 1978 Archaeological Site Surveyor Essay. Iowa Archaeological Society *Newsletter* 90:6-12.

SELECTED CULTURAL RESOURCE MANAGEMENT REPORTS

- 2007 Phase I Intensive Archaeological Survey of Proposed Expansion of the Faribault Municipal Airport, City of Faribault, Rice County, Minnesota. Wapsi Valley Archaeology Report #354.
- Phase I Intensive Archaeological Survey of Proposed WRA West Des Moines Outfall Extension, Boone Township, Dallas County, Iowa. Wapsi Valley Archaeology, Inc., Report No. 347, Anamosa, Iowa.
- Phase I Intensive Archaeological Survey of a 65 Acre Parcel in Boone Township, Dallas County, Iowa. Wapsi Valley Archaeology, Inc., Report No. 344, Anamosa, Iowa.
- 2006 Phase II Archaeological Testing and Evaluation of Site 32CS4999, City of Fargo, Cass County, North Dakota Wapsi Valley Archaeology, Inc., Report No. 253, Anamosa, Iowa.
- Supplemental Phase II Testing of Sites 13DM1043 and 13DM1044, Big Hollow Recreation Area, Des Moines County, Iowa. Wapsi Valley Archaeology, Inc., Report No. 186, Anamosa, Iowa. (with Michael Finn and Nurit Finn).
- Phase I Intensive Archaeological Survey of Proposed Rock Valley Lake in Section 15 and 16, T69N, R22W, Wayne County, Iowa. Wapsi Valley Archaeology, Inc., Report No. 193, Anamosa, Iowa.
- Phase I Intensive Archaeological Survey of the Proposed Melrose Ridge Apartments Project, City of Iowa City, Johnson County, Iowa. Wapsi Valley Archaeology, Inc., Report No. 208, Anamosa, Iowa.
- Phase IA Archaeological Resource Assessment of Proposed Xenia Service Areas in Calhoun, Humboldt, and Wright Counties, Iowa. Wapsi Valley Archaeology, Inc., Report No. 211, Anamosa, Iowa. (with Nurit Finn and Mary Huerter).
- Phase IA Preliminary Archaeological Assessment of the Lincoln Neighborhood, City of Fort Dodge, Webster County, Iowa. Wapsi Valley Archaeology, Inc., Report No. 234, Anamosa, Iowa.
- Phase I Intensive Archaeological Survey of a Proposed Development in Section 36, T89N, R1E, Dubuque County, Iowa. Wapsi Valley Archaeology, Inc., Report No. 235, Anamosa, Iowa.

Phase I Intensive Archaeological Survey of proposed Wastewater System Improvements, City of Toledo, Tama County, Iowa. Wapsi Valley Archaeology, Inc., Report No. 241, Anamosa, Iowa.

2002 Phase I Cultural Resource Survey of Two Areas in Saline Valley Conservation Area, Sections 18 and 27, T41N-R14W, Miller County, Missouri.

Phase I Cultural Resource Survey of Two Archaeological Sites Located in the Vicinity of Proposed Waterline Improvements, Long Lake Water Association, Phillips County, Arkansas.

Phase I Cultural Resource Survey of Approximately 120 Acres in Clearwater Conservation Area in Section 8, 16, and 17, T28N-R2E, Reynolds County, Missouri.

Phase I Cultural Resource Survey of the Goforth Cemetery, 31N1262, Conducted for the Pfiesser Water Association, Independence County, Arkansas.

Phase I Cultural Resource Survey of Five Areas Located in the Vicinity of Proposed Waterline Improvements, Southwest White County Water Association, White County, Arkansas.

Phase I Cultural Resource Survey of Proposed Improvements to Waste Water Facilities, City of Black Rock, Lawrence County, Arkansas.

Phase I Cultural Resource Survey of Seven Archaeological Sites Located in the Vicinity of Proposed Waterline Improvements, Outside Kingsland Water Association, Cleveland and Dallas Counties, Arkansas.

Schaeffer's Eddy: Archaeological Survey and Testing of Sites 3RA1 And 3RA429, Randolph County, Arkansas.

Phase I Survey of Spring Creek, St Francis County, Arkansas. Prentice Thomas and Associates, Report No. 700, Fort Walton Beach, Florida. (co-authored with Keith Hemphill and Prentice M. Thomas)

Phase I Cultural Resource Survey of the St. Francis River Scour, Memphis District Corps of Engineers, Clay County, Arkansas, Prentice Thomas and Associates, Report of Investigations 685, Fort Walton Beach, Florida. (co-authored with L. Janice Campbell and Douglass Prescott).

Phase I Cultural Resource Survey of Proposed Modifications to Two White River Access Locations Below Bull Shoals Dam, Baxter and Marion Counties, Arkansas and Subsurface Testing of Site 3MR207.

Analysis of Lithic Artifacts from Dozer Rock. In The Dozer Rock Site (24SW230): A 4,000 Year Old Hunter-Gatherer Campsite in the Absaroka Mountains of Sweetgrass County, Montana, by Larry Lahren, et al., pp. 57-70, Anthro Research, Livingston, Montana.

Analysis of Faunal Remains from Dozer Rock. In *The Dozer Rock Site (24SW230): A 4,000 Year Old Hunter-Gatherer Campsite in the Absaroka Mountains of Sweetgrass County, Montana*, by Larry Lahren, et al., pp. 71-73, Anthro Research, Livingston, Montana.

The Brownlee Head and Blakeley Divide Sites Analysis of Chipped Stone Artifacts. Appendix in *The Dozer Rock Site (24SW230): A 4,000 Year Old Hunter-Gatherer Campsite in the Absaroka Mountains of Sweetgrass County, Montana*, by Larry Lahren, et al., Anthro Research, Livingston, Montana.

- 2001 Phase I Cultural Resource Survey, Proposed Modifications to Sylamore Creek Access, Stone County, Arkansas.
- Phase I Cultural Resource Survey, White River Hydroelectric Project, Independence County, Arkansas. Prentice Thomas and Associates, Report of Investigations 654, Fort Walton Beach, Florida. (co-authored with Mark Chancellor).
- Phase I Cultural Resource Survey of Three Proposed Project Areas, Clay County Regional Water District, Clay and Randolph Counties, Arkansas.
- 2000 Archaeological and Architectural Assessments of Eight Roberts Wireless Cell Tower Locations in Central Missouri. Hemisphere Field Services, Minneapolis, Minnesota.
- Phase I Archaeological Investigations at Great Spirit Cave, 23PU13, Pulaski County, Missouri. Hemisphere Field Services, Walnut Ridge, Arkansas.
- Phase I Archaeological Survey of a Proposed Housing Development in Randolph County, Arkansas. Hemisphere Field Services, Walnut Ridge, Arkansas.
- Phase I Archaeological Survey of Seventy-Six Conservation Area, Perry County, Missouri. Hemisphere Field Services, Walnut Ridge, Arkansas.
- Investigation of the Areas of Thirty-eight Archaeological Sites Located Along I-40 in Arkansas in Advance of the Installation of the CapRock Fiber Optic Line. Hemisphere Field Services, Walnut Ridge, Arkansas.
- 1999 Phase I and Phase II Archaeological Investigations Along the Alliance Pipeline Route in Illinois. Hemisphere Field Services, Minneapolis, Minnesota.
- Phase III Excavations at the Cowan Site (13WD88): A Great Oasis Component in Woodbury County, Iowa (NHS-75-1(54)—19-97). Office of the State Archaeologist, Contract Completion Report 592.
- 1998 Phase I Archaeological Survey of Four Bridge Replacement Projects in Guthrie County, Iowa. Office of the State Archaeologist, Contract Completion Report 587.
- Phase I Archeological Survey of the Proposed Twin Oaks Apartment Development, Lee County, Iowa. Office of the State Archaeologist, Contract Completion Report 586.

Phase I Archaeological Survey of a Proposed Use Facility at Loess Hills Pioneer Forest, Monona County, Iowa. Office of the State Archaeologist, Contract Completion Report 585.

- 1997 Phase I Archaeological Survey of a Proposed Farmstead Disposal on the Harold Rahbusch Tract, Section 4, T95N-R39W, O-Brien County, Iowa. Office of the State Archaeologist, Contract Completion Report 568.
- Archaeological Monitoring of Step Reconstruction at Horse Thief Cave (13JN8), Wapsipinicon State Park, Jones County, Iowa. Office of the State Archaeologist, Contract Completion Report 565.
- Phase I Archaeological Survey of Proposed Stream Channel Modifications in Sections 29 and 32, T68N-R12W, Davis County, Iowa. Office of the State Archaeologist, Contract Completion Report 564.
- Phase IA Archaeological Assessment of the Mullen Inventory Property, Section 31, T72N-R34W and Section 36, T72N-R35W, Adams County, Iowa. Office of the State Archaeologist, Contract Completion Report 545.
- Phase I/Phase II Archaeological Survey and Testing of the Grain Processing Corporation's Proposed Landfill Final Cover Source, Section 13, T75N-R3W, Louisa County, Iowa. Office of the State Archaeologist, Contract Completion Report 538. (co-authored with Cynthia L. Peterson).
- Supplemental Phase I Archaeological Survey of Selected Segments in the Missouri Portion of the Avenue of the Saints, Canton to St. Francisville, Clark and Lewis Counties, Missouri. Office of the State Archaeologist, Contract Completion Report 529.
- Phase I Archaeological Survey of a Proposed Road Grading, Paving, and Bicycle Path Project along West Overlook Road, Section 21, T80N-R6W, Johnson County, Iowa. Office of the State Archaeologist, Contract Completion Report 524.
- 1996 Phase I Archaeological Survey of Proposed Sand Pit Expansion and River Bank Stabilization in Section 12, T79N-R3W, Cedar County, Iowa. Office of the State Archaeologist, Contract Completion Report 519.
- Phase I Archaeological Survey of Two Areas in Pleasant Creek Recreation Area, Linn County, Iowa. Office of the State Archaeologist, Contract Completion Report 516.
- Phase I Archaeological Survey of a 29-Acre Tract on Silver Lake, Sections 14 and 15, T100N-R22W, Worth County, Iowa. Office of the State Archaeologist, Contract Completion Report 430.
- Phase I Archaeological Surveys Conducted in 1996 of 14 Miscellaneous Projects Located in 11 Iowa Counties for the Iowa Department of Natural Resources. Office of the State Archaeologist, Contract Completion Report 511.

Phase I Archaeological Survey of Two Locations Proposed for the Relocation of a CCC Picnic Shelter in Ledges State Park, NW ¼ of Section 21, T83N-R26W, Boone County, Iowa. Office of the State Archaeologist, Contract Completion Report 510.

Phase I Archaeological Survey of the Vicinity of an Extant Residence Proposed for Disposal in Ledges State Park in the NW Corner of the NE ¼, NE ¼ of Section 16, T83N-R26W, Boone County, Iowa. Office of the State Archaeologist, Contract Completion Report 509.

Phase I Archaeological Survey of a 15-Acre Wetland Area in Section 35, T80N-R25W, Polk County, Iowa. Office of the State Archaeologist, Contract Completion Report 507.

Phase I Archaeological Survey of Two Proposed Borrow Areas for Project L-FM-453(1) in Section 10, T100N-R38W, Dickinson County, Iowa. Office of the State Archaeologist, Contract Completion Report 505.

Phase II Archaeological Investigations of Selected Prehistoric Sites Along the Avenue of the Saints, Henry and Lee Counties, Iowa. Office of the State Archaeologist, Contract Completion Report 496.

Phase III Excavations at the Ed's Meadow Site (13DM712), Local Systems Project P-64, a.k.a. FHWA 143160, Des Moines County, Iowa. Office of the State Archaeologist, Contract Completion Report 480.

Lithic Analysis. In *Excavations at the Maxwell Site (13DA264): A Great Oasis Settlement in Central Iowa*, By John F. Doershuk and Fred A. Finney, pp. 17-27. Office of the State Archaeologist, Contract Completion Report 445.

1995 Phase I Archaeological Survey of a Proposed Electrical Line in Pleasant Creek Recreation Area, Linn County, Iowa. Office of the State Archaeologist, Contract Completion Report 479.

Phase III Excavations at 13ML118 and 13ML175, Mills County, Iowa. Office of the State Archaeologist, Contract Completion Report 469.

The Identification of an Unmarked Historic Cemetery Located within the Hunters Ridge Development, Section 19, T84N-R6W, Linn County, Iowa. Office of the State Archaeologist, Contract Completion Report 454.

Phase I Archaeological Survey of Selected Areas of the Hunters Ridge Development, Sections 19 and 30, T84N-R6W, Linn County, Iowa. Office of the State Archaeologist, Contract Completion Report 453.

Phase I Archaeological Survey of the Avenue of the Saints Between Mount Pleasant and the Missouri Line, Lee and Henry Counties, Iowa. Office of the State Archaeologist, Contract Completion Report 430.

- 1994 Phase I Archaeological Survey of Proposed Wastewater System Improvements, Clear Lake Sanitary District, Cerro Gordo County, Iowa. Office of the State Archaeologist, Contract Completion Report 434.
- Phase I Archaeological Survey of the Proposed North Cedar Falls Drainageway, Segment II, Washington Township, Black Hawk County, Iowa. Office of the State Archaeologist, Contract Completion Report 425.
- 1993 Phase II Archaeological Investigations of Sites 13DB414 and 13DB417 along US 151, Dubuque County, Iowa. Office of the State Archaeologist, Contract Completion Report 392.
- Phase I Archaeological Survey of Proposed Bridge Replacement Project FWHA 055330, Section 5, T74N-R33W, Adair County, Iowa. Office of the State Archaeologist, Contract Completion Report 386.
- Phase I Archaeological Survey of Proposed Bridge Replacement Project FWHA 055330, Keokuk County, Iowa. Project No. XE-1360. Louis Berger and Associates, Inc., Cedar Rapids, Iowa.
- Phase I Archaeological Survey of Proposed Midwest Power Transmission Line, Polk County, Iowa. Project No. XE-1355. Louis Berger and Associates, Inc., Cedar Rapids, Iowa.
- Phase I Archaeological Survey of Proposed Bridge Replacement Project near Douds, Van Buren County, Iowa. Project No. XE-1291. Louis Berger and Associates, Inc., Cedar Rapids, Iowa.
- Phase I Archaeological Survey of Proposed Bridge Replacement Project C-724, Jones County, Iowa. Project No. XE-1254. Louis Berger and Associates, Inc., Cedar Rapids, Iowa.
- Phase I Archaeological Survey of Proposed Bridge Replacement Project RS-4582(3), Marshall County, Iowa. Project No. XE-1242. Louis Berger and Associates, Inc., Cedar Rapids, Iowa.
- Phase I Archaeological Survey of Proposed Bridge Replacement Project RS-4586(3), Marshall County, Iowa. Project No. XE-1242. Louis Berger and Associates, Inc., Cedar Rapids, Iowa.
- Phase I Archaeological Survey of Proposed Bridge Replacement Project RS-4586(4), Marshall County, Iowa. Project No. XE-1242. Louis Berger and Associates, Inc., Cedar Rapids, Iowa.
- Phase I Archaeological Survey of Proposed Bridge Replacement Project K-16, Marshall County, Iowa. Project No. XE-1242. Louis Berger and Associates, Inc., Cedar Rapids, Iowa.

Phase I Archaeological Survey of Proposed Bridge Replacement Project H-21, Marshall County, Iowa. Project No. XE-1242. Louis Berger and Associates, Inc., Cedar Rapids, Iowa.

Phase I Archaeological Survey of Proposed Road Grading Project STP-S-43(19)—5E-43, Harrison County, Iowa. Project No. XE-1208. Louis Berger and Associates, Inc., Cedar Rapids, Iowa.

Phase I Archaeological Survey of Proposed Bridge Replacement Project FWHA 055330, Keokuk County, Iowa. Project No. XE-1360. Louis Berger and Associates, Inc., Cedar Rapids, Iowa.

Phase I Archaeological Survey of Proposed Bridge Replacement Project FWHA 055330, Keokuk County, Iowa. Project No. XE-1360. Louis Berger and Associates, Inc., Cedar Rapids, Iowa.

Phase I Archaeological Survey of Proposed Bridge Replacement Project FWHA 055330, Keokuk County, Iowa. Project No. XE-1360. Louis Berger and Associates, Inc., Cedar Rapids, Iowa.

Phase I Archaeological Survey of Proposed Bridge Replacement Project FWHA 055330, Keokuk County, Iowa. Project No. XE-1360. Louis Berger and Associates, Inc., Cedar Rapids, Iowa.

- 1984 BROS-9090(3), Wapello County Local Roads. The University of Iowa, Highway Archaeology Program, Project Completion Report 7(288) (co-authored with Ricky Atwell).
- FN-149-2, Iowa County Primary Roads. The University of Iowa, Highway Archaeology Program, Project Completion Report 7(291) (co-authored with Stephen Lensink and Ricky Atwell).
- SN-1808(2)--51-31, a.k.a. RS-1808(2), Dubuque County Local Roads. The University of Iowa, Highway Archaeology Program, Project Completion Report 7(320) (co-authored with Ricky Atwell).
- FMO Y-5D; 1982-4, BROS-9031(12); BROS-9031(24), Dubuque County Local Roads. The University of Iowa, Highway Archaeology Program, Project Completion Report 7(334) (co-authored with Ricky Atwell).
- FMO Y17 and BROS-9031(22)--5f-31, Dubuque County Local Roads. The University of Iowa, Highway Archaeology Program, Project Completion Report 7(335) (co-authored with Ricky Atwell).
- 1983 SR-3025(9), Plymouth County Local Roads. The University of Iowa, Highway Archaeology Program, Project Completion Report 7(40) (co-authored with LuAnn Hudson).

GRANTS WORKED UNDER

- 1987 Interaction and Exchange: The Dynamics of Early Archaic Style Horizons in the American Midwest. Center for American Archaeology Research Grant.
- 1983 Cataloging, classification, and exhibition of the Burroughs Archaeological Collection. Cedar County Historical Society and the Iowa Humanities Board.
- 1982 Reconstruction of Aboriginal Ioway Indian Dwelling, Gardens, and Artifacts. Living History Farms and the Iowa Humanities Board.

DEMONSTRATIONS AND WORKSHOPS

- 2007 Flintknapping demonstration for the Jones County Historic Preservation Commission, Wapsipinicon State Park, Anamosa, Iowa.
Artifact identification at the Artifact Road Show, Muscatine Art Center, Muscatine, Iowa.
- 2002 Flintknapping Workshop, Old Davidsonville State Park, Pocahontas, Arkansas
Flintknapping Demonstration, Iowa Archaeological Society meeting, Wapello County, Iowa.
- 2000 Flintknapping and Atlatl Demonstration, State Historical Society of Iowa, Des Moines
Flintknapping Demonstration, Bootheel Youth Museum, Malden, Missouri
Flintknapping Workshop, Parkin Archaeological State Park, Parkin, Arkansas
- 1999 Flintknapping Workshop, Parkin Archaeological State Park, Parkin, Arkansas.
Flintknapping Demonstration, Central Mississippi Valley Chapter, Arkansas Archeological Survey, Jonesboro, Arkansas.
- 1996 Flintknapping Demonstration, State Historical Society of Iowa, Des Moines, Iowa
- 1995 Flintknapping Demonstration, State Historical Society of Iowa, Des Moines, Iowa
Flintknapping Demonstration, Beaman Public Library, Beaman, Iowa
- 1994 Flintknapping Demonstration, State Historical Society of Iowa, Des Moines, Iowa
Flintknapping Demonstration, The History Center, Cedar Rapids, Iowa
Flintknapping Demonstration, Linn County Conservation Center, Cedar Rapids, Iowa
Flintknapping Demonstration, Coralville Public Library, Coralville, Iowa
Atlatl Throwing, Iowa Archaeological Society Fall Meeting, Maquoketa, Iowa
Macroscopic Identification of Midwestern Cherts. Office of the State Archaeologist, Iowa City, Iowa
- 1993 Flintknapping Demonstration, State Historical Society of Iowa, Des Moines, Iowa
Flintknapping Demonstration, Museum of Natural History, Iowa City, Iowa

- 1992 Arrow Making Demonstration, Iowa Archaeological Society Fall Meeting, Lake Okoboji, Iowa
- 1991 Prehistoric Pottery Manufacture, Angel Mounds Historic Site, Evansville, Indiana.
Woodland House Construction Workshop, Dickson Mounds Museum, Lewistown, Illinois.
- 1985 Lithic Raw Material Identification Workshop. Iowa Archaeological Society Spring meeting, Cherokee, Iowa.
- 1983 Bone Tool Technology Workshop. Iowa Archaeological Society Spring Meeting, Des Moines, Iowa.
- 1982 Flintknapping Workshop. Iowa Archaeological Society Spring Meeting, Glenwood, Iowa.

PAPERS PRESENTED

- 2002 The Martens Site: An Ice Age Campsite in the American Heartland. Central Mississippi Valley, Jonesboro, Arkansas (co-presented with Juliet E. Morrow).
Early Paleoindians and Watercraft: A Perspective from the Mississippi River Valley. Missouri Archaeological Society Meeting, Kimmswick, Missouri (co-presented with Juliet E. Morrow).
- 2001 Water Transportation and Early Paleoindians? Evidence from the Mississippi River Valley. 47th Midwest Archaeological Conference, LaCrosse, Wisconsin (co-presented with Juliet E. Morrow).
- 2000 Early Archaic Life in the Mississippi River Valley. Central Mississippi Valley Archaeological Society, Jonesboro, Arkansas.
Exploring the Clovis-Gainey-Folsom Continuum. Society for American Archaeology 65th Annual Meeting. Philadelphia, Pennsylvania (co-presented with Juliet E. Morrow).
Hunter-Gatherer Mobility and Integrated Chipped Stone Technology. Society for American Archaeology 65th Annual Meeting, Philadelphia, Pennsylvania (co-presented with Juliet E. Morrow).
- 1999 The Lithic Assemblage from the Cowan Site (13WD88). 56th Plains Anthropological Conference, Sioux Falls, South Dakota.
Overview of the Cowan Site (13WD88). Iowa Academy of Science Annual Meeting, Ames, Iowa.
Stone Tool Assemblages from the Cowan Site. Iowa Academy of Science Annual Meeting, Ames, Iowa.

- Clovis Lithic Technology at the Martens Site (23SL222), St. Louis County, Missouri. 64th Annual meeting of the Society for American Archaeology, Chicago, Illinois. (co-presented with Juliet E. Morrow).
- 1998 Lithic Refits in Time and Space: Examples from the Midwestern U.S. 62nd Annual Meeting of the Society for American Archaeology, Nashville, Tennessee.
- 1997 Rummels-Maske Revisited: A Fluted Point Cache from the Midcontinent. 55th Plains Anthropological Conference, Boulder, Colorado. (co-presented with Juliet E. Morrow).
- Continuity and Change in the Lithic Technology of the Prehistoric Great Lakes. Ontario Archaeological Society/Midwest Archaeological Conference, Toronto, Canada.
- Geographic Patterning in Fluted Point Morphology in the New World. 62nd Annual Meeting of the Society for American Archaeology, Nashville, Tennessee. (co-presented with Juliet E. Morrow).
- The Point and the Pendulum: Past Approaches to Fluted Point Typology. 62nd Annual meeting of the Society for American Archaeology, Nashville, Tennessee. (co-presented with Juliet E. Morrow).
- 1996 Early Archaic at the Twin Ditch Site, Greene County, Illinois. Michigan Archaeological Society Annual Meeting, Saginaw, Michigan.
- Fluted Point Complexes in the Midwest: A Morphological and Technological Perspective. Midwest Archaeological Conference, Beloit, Wisconsin. (co-presented with Juliet E. Morrow).
- Folsom Points and Preforms in Iowa. 54th Plains Anthropological Conference, Iowa City, Iowa.
- 1995 A Chip Off the Old Block: Alternative Approaches to Debitage Analysis. 60th Annual Meeting of the Society for American Archaeology, Minneapolis, Minnesota.
- 1994 Regional Patterning in the Distribution of Prehistoric Archaeological Sites in Iowa. 52nd Plains Anthropological Conference, Lubbock, Texas.
- 1993 Archaeological Traces of Children's Learning Behavior: Tentative Interpretations from the Twin Ditch Site. Paper presented at the 58th Annual Meeting of the Society for American Archaeology, St. Louis, Missouri.
- Lithic Refitting at the Twin Ditch Site, Greene County, Illinois. Spring Meeting of the Iowa Archaeological Society, Des Moines, Iowa.
- Lithic Refitting and Archaeological Site Formation Processes: A Case Study from the Lower Illinois River Valley. Conference on Theory in Lithic Analysis, University of Tulsa, Tulsa, Oklahoma.

- The Cody Complex in the Western Great Lakes. 51st Plains Anthropological Conference, Saskatoon, Saskatchewan.
- 1992 The Fear of Fluting: A Modern Flintknapper's Perspectives on the Ready Site Fluted Point Manufacturing Sequence. Midwest Archaeological Conference, Grand Rapids, Michigan
